A Life-Changing Seminar

About 13 years ago I was asked, "With your 30 years of pastoral experience, what do you consider to be the **best source of help for building good marriages and families?**" Without hesitation I answered, "The Institute in Basic Life Principles (IBLP) **Basic Seminar** with instructor Bill Gothard". This **solidly biblical** seminar offers wise solutions to the difficult problems of life. It began as Bill was working with troublesome gang youth years ago and he realized that in order to be effective he must teach their parents **the principles of the Word of God**. Since 1964, over **5 million people have attended this life-changing seminar!** Those who attend learn how to break unhealthy habits, restore vital relationships with family and others, conquer fear, anger, guilt, and bitterness, and discover real purpose for life.

Among the **Basic Seminar topics** are: "Tracing surface problems to root causes," "How we can experience true freedom," "Resolving family conflict," "Building genuine friendships," "Establishing marriage harmony," "Gaining financial freedom," "Discerning the right life partner," "Principles of effective child training," and "Understanding genuine love." **The goal is to explain God's way of life.** One alumnus testified, "I achieved financial riches but destroyed my marriage in the process--and I was miserable. Then a friend invited me to the seminar, and there **I purposed to live by Biblical principles.** God has restored my family and is blessing my business, and I have found genuine peace and joy which are not dependent on material things."

The **Basic Seminar** will be conducted in **English and Spanish** at our church via video **July 11-16** (Monday-Thursday at 7-10 pm; Friday at 9:30 am – 8 pm; Saturday at 9:30 – 6 pm). I urge you to attend. For more information or to register see www.iblp.org, or email pastor@naog.ws, or call 610-262-0694.
