### **Da Vinci Code?**

The Da Vinci Code is a **fictional** conspiracy novel that mocks and attacks Christianity. It is, in fact, a **conspiracy against truth** supporting multiple **proven lies** while deceitfully claiming to be historically factual. The author's motivation is obviously not about discovering truth – it's about money!

If those who are intrigued by conspiracy theories against Christianity would read the Bible, they would learn it is **nothing new** for Christ's enemies to **conspire to perpetrate lies** against Him as we read in Matthew 28:11-14, "When they were **assembled with the elders**, and **had taken counsel**, they **gave large money** unto the soldiers, saying, say ye, his disciples came by night, and stole him away while we slept. And if this come to the governor's ears, **we will persuade him**, and **secure you**." Such conspiracies were foretold in Psalms 2:2, "**the rulers take counsel together**, against the LORD, and **against his anointed**."

God has not concealed His truth in some mysterious secret code for an elite few! "This thing was **not done in a corner**" (Acts 26:26). He has made His way so **plain** that even "wayfaring men, **though fools**, shall not err therein" (Isaiah 35:8). See **The Way** at: [www.naog.ws/theway.htm](http://www.naog.ws/theway.htm)

The many blatant falsehoods propagated in this blasphemous novel are more than I can address here. Its most heinous claims deny Christ's divinity, yet the Bible clearly teaches that Jesus is God. "He was in the world, and the **world was made by him** ... the Word was made flesh, and dwelt among us, and **we beheld his glory**" (John 1:10-14). Will you choose to believe "**cunningly devised fables**" or "**eyewitnesses of his majesty**" (2 Peter 1:16)?
