## **From Jail to Jesus**

I urge you to hear **Rodney Keister**, pastor of God's Missionary Church, Northampton, as he shares his **powerful personal testimony** at our church on **Sunday, July 17 at 6:00 p.m.**

In his testimony, Rodney sadly relates how he, as a youth in high school, college, and later in the business world, was drawn downward into a life of deep sin that included alcohol, drugs, and crime, which consequently landed him in jail. Looking back at the tragedy of his own life, he states, **"Sin will take you further than you ever want to go!"**

Passionately continuing his testimony, Keister fervently shares how Jesus Christ saved him from sin, transformed his life completely, and delivered him from alcoholism, drugs, cigarettes, and psychiatric anxiety. He enthusiastically proclaims that Jesus Christ converted him **"From Hatred to Love," "From Crook to Christian,"** and **"From Jail to Jesus!"**

Then with great emotion, Keister tells how Christ called him to preach the Gospel and declares, "If someone would have told me ten years ago that I was going to be a pastor in the future, I would have laughed in his face, **but now that God has changed me** inside and out, **I desire nothing more than to serve Him wherever He leads.**"

Having experienced a radically changed life himself, Pastor Keister has a tremendous burden to help others who have been snagged in sin. He declares, "Jesus can change whoever is willing to seek Him with all their heart!" He urges, **"Seek Him while He can be found!"** He assures his listeners, **"It's not too late! God can make something of your life."**

Now Pastor Keister is in the process of building a congregation of believers and restoring the historic church structure in which his congregation meets on Route 329 east of Northampton. Please invite anyone who needs a changed life to hear this outstanding testimony.
