## **“Go To Hell, Then”**

Dr. Len Broughton, for years pastor of the Tabernacle Baptist Church, Atlanta, Georgia, told the following incident: “In my church, there was a half-witted young man. To be sure, he ‘had zeal without knowledge.’ However, he did have a sincere desire to see souls saved. Once, when I was making an appeal for souls at the close of my sermon, this young man quietly drew up alongside a well-dressed young man, and asked him, ‘**Do you want to go to heaven?**’ Bluntly, the one approached barked out, ‘No!’ ‘**Go to hell, then!**’ said the half-witted young man as he walked away.

“God’s Holy Spirit used the sincere effort of that young man to awaken the slumbering soul of that haughty sinner, and before long, he chose Christ as his Savior, and heaven as his eternal home.”

Of course, the half-witted young man saw things and expressed them in a rather simplistic way, but you have to admit **he was right in his grasp of the facts!** The Bible teaches that we are headed to **either of two eternal abodes – heaven or hell.** Since the Bible teaches that **the only way to heaven is by Jesus Christ,** anyone who rejects Jesus Christ chooses the only other alternative – **hell!** So, let me ask you the question, “**Do you want to go to heaven?**” Read about **Jesus, the only way to heaven** on our website at: [www.NAOG.ws](http://www.NAOG.ws)
