Jesus Transformed Jody!

Church member, Jody Turnbaugh, submitted this remarkable testimony:

“I grew up without knowledge of God, the Bible, Jesus, or any religion. At 12 years old I began trying to fill myself with the world (drinking, drugs, and immoral relationships). In my early 20s, I ended up lost, broken, and with a child born out of wedlock. **I thought there had to be more to life.** I heard a radio ministry (*Back to the Bible*) talking about the things of God and **I wanted what they had!** It was **exciting and real!** I went to their website, printed out a few pages on how to become a Christian, and read them at home. It said to **pray to God**, which seemed strange because **I never did that before**, but I had a little seed of faith that **something was going to happen!** That night **I met Jesus Christ**, Lord and Savior, and **experienced His awesome, life-changing power!** From the top of my head to the bottom of my feet, **I felt the presence of God;** it was a **supernatural spiritual shower!** From that night to the next day, **my life was completely different. I was transformed!** I stopped drinking. **A few days went by and I realized I hadn't cursed.** I was living with a guy and **told him he had to go!** I didn't understand it, but **I knew that I had been changed by Christ alone!** Nobody gave me a list of to-do's and not-to-do's. **It was the power of the Holy Spirit** that led me. He miraculously **led a co-worker to give me a Bible** so I could learn His Word. He amazingly **led me to a church** that had been within a mile of my home since birth but **I never noticed it until after He changed my life.** I've attended Northampton Assembly of God about eight years now and have been **growing spiritually and living fully for the Lord.** He has done countless miracles in my life. **Jesus Christ transformed my life, and He is still working today!”**
