## John Was Miraculously Healed!

John E. Tarsi submitted the following testimony of his miraculous healing by the Lord in one of our church services:

“On November 27, 2008, I received a serious head injury. The left side of my head and face swelled and hurt so much that I could not even touch it nor could I lay on that side. I had such severe headaches and shooting pains that at times I could not speak properly and my jaw would lock. Everyone was saying that I should go to the doctors, but my wife and I continued to pray and to believe for God to touch me. Then one night at church on Wednesday, March 25, 2009, **the Lord healed me!** Our pastor's brother, Peter, had come to our church and shared his testimony in the Sunday services and in this Wednesday evening service of how God had healed him. At the end of the service, people were encouraged to come up around the altar for prayer. I felt the Holy Spirit nudge me to go up. I went up and was prayed for, and when I went back to my seat, **I felt a soft peace come over me.** From that moment on, **the shooting pains completely stopped – not one pain since then!** We are rejoicing at what the Lord has done for me. **It is truly a miracle!** All glory and honor be to God Who has healed me!”

**Note:** John was healed after hearing my brother, Peter, tell how the Lord had miraculously healed him. Also, Peter had urged everyone to believe **Jesus Christ is still the Healer today** and to firmly stand by faith on the scriptural promises and claim healing. **If you need a healing touch from the Lord, I encourage you to hear Peter at: [www.naog.ws/sermons.htm](http://www.naog.ws/sermons.htm)** as he shared his testimony in our church service.
