Licensing Sin?

A lifetime union between one man and one woman is **God's design for marriage** as Jesus stated, "Have ye not read, that **he which made them at the beginning made them male and female**, and said, For this cause shall a man leave father and mother, and shall cleave to his wife...**What therefore God hath joined together, let not man put asunder**" (Matthew 19:4-6). There's no room for "same-sex marriage" there! Yet William Sinkford, a Unitarian Universalist minister, officiated in marrying two women in Massachusetts recently. Why? Because **he rejects God's authority!** He stated, "For us, the **authority rests in the human mind and heart, rather than a set of Holy Scriptures.**"

Misuse of marriage laws to license homosexuals is just another step in the agenda of those who are trying to force society to accept sodomy's **sexual perversion** as normal behavior. Even their misnomer, "gay," is in stark contrast to what God calls sodomy when He specifically disallows it, "**Thou shalt not lie with mankind, as with womankind: it is abomination**" (Lev. 18:22). As "a transgression of the law" (I John 3:4), **homosexuality is a sin** that keeps one out of heaven, "...neither fornicators...nor effeminate, nor **abusers of themselves with mankind...shall inherit the kingdom of God**" (I Cor. 6:9). Instead of **licensing sin**, ministers must preach justification for those who repent of their sin as the next verse states, "And such **were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus...**"
