Miraculous Healings!

Recently my brother, Peter, shared with our congregation two **miraculous healings**. Peter is a construction labor foreman in Kankakee, IL. In 1987, he was taking concrete into a manhole and slipped. X-rays showed a cracked rib, but also a suspicious area on his lungs. A CAT scan revealed it was sarcoidosis. It never bothered him until the spring of 1995 when he began to have shortness of breath and exhaustion. That summer the doctor said that nothing could be done for him. Peter related this to our mother, who was a woman of faith in God, and she responded, **"What does God say?"** She encouraged him to believe God's promise, **"I am the LORD that healeth thee"** (Ex 15:26). Peter asked his pastor and church elders to pray for him. He felt a **warm sensation flow over his body** and then discovered that **his voice had come back** and that **he could sing again!** He claimed his healing, but at work the symptoms returned and he felt that he would have to retire. Then the Lord reminded him that He had healed him. Peter **claimed the promise of healing** and has been **able to breath freely ever since!**

Peter also shared how he was recently healed **of a loud ringing in his ears** after a missionary in their church asked for anyone with ringing in the ears to come for prayer. Peter had this ailment for over seven years, so he went for prayer. Even though the symptoms remained, **he claimed healing** based on the promise in 1 Peter 2:24, **"by whose (Christ's) stripes ye were healed."** Two weeks later, Peter was on his way to the hospital to pray for his nephew. As he walked out to his car, **he suddenly realized everything was quiet! The ringing in his ears was gone!** At the hospital he told his nephew what the Lord had just done for him. He was also healed! Returning home, Peter said to his wife, **"What's that water running?"** He ran upstairs, saw the toilet was stuck, and fixed it. Then his wife said, **"Now I know you are healed – you could never hear that water running before!"**

Several in our church were healed in that service.
