Miraculous Provisions

For over three years our congregation has planned to renovate and enlarge our present sanctuary and construct a new foyer addition and carport. Things began slowly as plans and drafters changed; but when we received our permit three weeks ago, things started happening quickly. Interior walls were removed and new walls constructed. Asphalt was cut and removed—footers excavated and poured—foundation blocks laid, etc. All of this has been done by volunteer labor and donated equipment with skilled operators! Some materials purchased were at liquidated prices, but all of the lumber and drywall for the interior walls was donated as were most of the blocks, 80 bags of cement, and over 100 tons of stone! Praise the Lord!

We shouldn't be surprised when God **miraculously provides** our material needs because His word promises, "But my **God shall supply all your need** according to his riches in glory by Christ Jesus" (Philippians 4:19). We read in the Bible how God **miraculously provided** daily food and water for His people in the desert for 40 years. He commanded ravens to feed His prophet, Elijah. They "brought him bread and flesh" in the morning and evening until his water supply dried up, and then He fed him and a widow woman and her son by **miraculously providing** meal in a barrel until rain came over a year later (1 Kings 17). Such incidents abound in the Bible.

Of course, spiritual things are far more important than material things, and it amazes me how God has been **miraculously moving** in so many lives in the last three weeks—saving souls and changing lives. Last Sunday evening testimony after testimony gave glory to God for what He has recently done. Jesus said, "But seek ye first the kingdom of God, and his righteousness; and **all these things shall be added unto you**" (Matthew 6:33). We have been seeking God, so we shouldn't be surprised when He **miraculously provides** both spiritually and materially!
