Never Tasted it!

An infidel had just completed an eloquent address to a large audience. "And now, does anyone have any questions?" he asked. An old man, who **had been a drunkard** most of his life but who **had recently become a Christian**, shuffled down the aisle and ascended the platform. Taking an orange from his pocket, he began to peel it. The lecturer asked him to state his question, but the old man just went on—peeling his orange and eating it section by section. Finally, wiping his hands on his pocket handkerchief, the old man turned to the lecturer and said: "Here's my question. Can you tell me, **was that orange sour or sweet?**"

"Idiot!" retorted the lecturer in anger. "**How do I know? I never tasted it!**" To which the elderly man replied: "**And how can you know anything about Christ, if you have never tasted Him?**"

Yes, **an experience is better than an argument any time!** If you haven't experienced the love, peace, and joy of salvation through faith in Jesus Christ then I urge you to give Him an opportunity in your life as did the converted drunkard. Then you will understand the meaning of Psalm 34:8, "**O taste and see that the Lord is good!**" If you will honestly seek the Lord in prayer, He will satisfy you. "**For he satisfieth the longing soul, and filleth the hungry soul with goodness**" (Psalm 107:9). Jesus said, "**I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst**" (John 6:35). Will you respond to the invitation of the Savior to believe on Him and come to Him? Do it now! Jesus will save you from your sin and satisfy your soul with His peace—**go for that experience!** Just ask Him to save you! **Taste and see!** If I can be of help to you, please visit the church, call, or write.
