Phone Call from God?

The name of the church was Almighty God Tabernacle, a strange name for some. It was late on a Saturday night, and the pastor sat at his desk in this church, refining the next day's sermon. He **suddenly decided to call home** to check on his wife. He dialed the number and listened to the phone ring...and ring...and ring — certainly he'd called the wrong number, he thought. Where else would his wife be on a Saturday night? He called the number again and found his wife at the other end of the line. He felt sorry for the person he must've disturbed so late in the evening. Not long after, the pastor received a call from a man who **wondered if a phone call had been placed to him from this number.** "Oh, you must be the one," the pastor said, and began to apologize for phoning the wrong number.

"There's no need to apologize," the man replied, "You see, that evening I sat in my living room, seriously **contemplating suicide.**" I told God, 'If you're really there, please show yourself to me, and I won't kill myself.' **Just then the phone rang,**" he continued. "When I looked at the caller ID, it read, '**Almighty God.**' I was afraid to answer the phone!" —*Doy Cave, Baptist Press, 12/27/01*

Are you facing a difficult situation? I urge you to **cry out to God in prayer.** He invites you, "**Call unto me, and I will answer thee,** and show thee great and mighty things..." (Jer. 33:3). He promises you, "**Call upon me in the day of trouble: I will deliver thee,** and thou shalt glorify me" (Ps. 50:15). I invite you to attend any of our church services or to contact me by phone or email. I will be happy to pray with you. Just be assured that there is hope in your situation because the Bible assures, "**Whosoever shall call on the name of the Lord shall be saved**" (Acts 2:21).
