Redeeming the Time

I invite you to hear **Rick Grubbs** of Life Changing Seminars speak on the subject of **"Redeeming the Time"** in our church on Wednesday, March 7, at 7:30 p.m.

Rick has served as a missionary to Czechoslovakia and prison chaplain. He is host of the **"Redeeming the Time"** radio program syndicated to over 1,200 stations around the world. He has spoken over 1,000 times in 49 states encouraging Christians to be good stewards of time and sharing principles of biblical time management. His writings for Christian periodicals have a circulation of 1.4 million readers. Read more about his ministry at www.lifechangingseminars.com

Several years ago, I heard Rick present his powerful **"Redeeming the Time"** message to the thousands attending the Institute in Basic Life Principles Advanced Training Institute home schooling conference in Knoxville, TN. His message presents a serious challenge to consider the brevity of life and the value of time. He urges his listeners to gain a larger frame of reference, focused on eternity, when evaluating how they will spend time. He offers solutions to better manage the most precious resource that God has given us—our **time**. Some of the things he covers are: The two questions you should ask before committing to any activity; What it really means to "Number our days"; What is the #1 time waster; How to find an extra two weeks in every year; How to get motivated and stay that way; The two verses from Proverbs which give the real key to redeeming the time.

I invite you to hear Rick Grubbs and meet his wife and nine children on **Wednesday, March 7, at 7:30 p.m.** You can see their family picture on our website at: www.naog.ws/schedule.htm
