Vote Values, But Whose?

Recently I received a letter from "Obama for America, Religious Affairs Desk" in which Barack states, "this election is **about the values** we believe in." The material, which evidently was sent to all churches in our nation, attempts to portray Obama as the candidate of **moral values** using keywords such as **faith, principles, traditional values, etc.**

The next day I received a letter from "The Judeo-Christian View," which was also sent to all churches, documenting Obama's record of support for abortion and homosexuality. It pointed out that "Obama supports late-term, tax-funded abortion on demand – for any reason or no reason at all" and that he even supports the barbaric procedure of Partial Birth Abortion having voted three times to kill the Illinois' Born Alive Infant Protection Act. The letter quoted Obama as favoring (in his own words) "the full and unequivocal repeal of the federal Defense of Marriage Act," which protects states from forced legal recognition of same-sex "marriages." The letter also noted that "Obama recently contested the Chairman of the Joint Chiefs of Staff by declaring that 'I do not agree with General Pace that homosexuality is immoral.'"

Obviously, the **values that Obama believes in** on the two issues mentioned above are **not the values taught in the Bible!** God clearly declares **what His values are** concerning homosexual behavior—He hates the sin of sodomy as He states in Leviticus 20:13, "***If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination.***" God values the lives of the **thousands of unborn babies that are daily killed** in America in violation of God's law and common decency!

Don't be deceived by candidates who just talk about **moral values**—investigate their **positions** and the **records** of how they have previously voted. Then, for the sake of our children and the future of our nation, I urge you to **vote for those who support biblical values!**
